# SUMMER UNIVERSITY

***Interested In 3 UVM Graduate Credits?  
Looking for an Online Summer Course?***

***As attendees of the 2024  
BEST/VTmtss  
Summer Institute, you are eligible to take the  
BEST/VTmtss Summer Institute Course!***

---

**Title:** BEST/VTmtss Summer Institute '24 (EDSP 5990/CRN: 61894/ 3 credits) Course

**Instructor:** Sherry Schoenberg

**Course Description:** This course will expose students to the components necessary to implement a successful Multi-Tiered System of Support (MTSS) framework within their selected academic or social context area. Students will focus on developing an understanding the data, systems, and practices needed to maintain and sustain their research projects and action plans. Coursework and assignments start at the Summer Institute (June 24-27) and continue through the summer (July 1 - Aug. 9, 2024).

**Course Syllabus:** <https://www.pbisvermont.org/resource/summer-institute-course-syllabus/>

**Summer Course Tuition (VT Residents):** Approx. \$1,464 (30% off regular UVM Tuition!). This is in addition to the Institute registration fee. Other fees may apply if taking another UVM summer course. If you do not have VT residency, contact [Sherry Schoenberg](#).

**Registration:** Registration for this course is separate from the Institute registration. If you are interested in taking this course, please register by **May 1, 2024**.
