What is Integrated Multi-Tiered System of Support?

“Integrated Multi-Tiered System of Support (I•MTSS) is a comprehensive prevention framework for improving students’ academic and social-emotional-behavioral outcomes. Key components of an I-MTSS framework include:

- “Integrated Continuum of Research-Informed Practices
- “Comprehensive Data-Driven Decision Making
- “Integrated Teaming and Coaching Structures
- “Integrated Professional Development
- “Additional Systems to Support Sustained and Scaled Implementation

What is integrated intensive intervention (I³)?

Why integrate intensive intervention?

- Academic & behavioral needs are inter-related
- I-MTSS just might work!
