Dear Families,

We have had a wonderful start to the school year. These first three days of school, teachers began their work on their First Six Weeks of school. These first six weeks, as a school, we focus on teaching students the expectations of the school in general, and in each specific space. Our district wide expectations are HEART; Honest, Engaged, Appropriate, Responsible, and Timely. Adults have been acknowledging students when they see them following an expectation with a heart token. Some of our classes already have their classroom heart jar halfway filled!
