

# POSITIVE BUSSING IN SHELBURNE

**Purpose:** Bus Tickets are a way for drivers to share out about positive behavior happening on their busses. We want to acknowledge when students demonstrate the expected bus behaviors so that others hear us and are more likely to do the same. The goal is to acknowledge behaviors on the bus as a way to reduce problem behaviors and ODRs to the Planning Room.

What we will do: This morning, we handed out bus tickets to drivers. Brett or Zynnica will collect them in the morning from each bus. It will be important for us to collect one from each driver to continue to spread the positivity.

## How we are going to do it?

- 1) We will collect tickets from bus drivers each morning
- 2) Students will get a copy that goes home at the end of the day
- 3) Bus Drivers will get a copy of them to put back up on their bus
